

Total number of shares and voting rights at the time of calling the General Meeting

At the time of calling the General Meeting the Company's registered share capital is divided into 55,726,428 no-par value bearer shares, all of which have one voting right. At the time of calling the General Meeting, all 55,726,428 of the Company's issued no-par value shares include the right to attend and the right to vote, which is why the total number of the Company's voting shares equals 55,726,428 at the time of calling the General Meeting.
